

## ***Lydia Hamann, Member at Large***

- **What attracted you to Clackamas Dogs Foundation?** *When my long-time friend and fellow Happy Valley Business Alliance Board of Director passed away I asked to be considered as a replacement to follow in Gail's steps as a Board of Director. Gail was a CDF Board Member for the Foundation and a Potty Walker volunteer at Clackamas County Dog Services for quite some time. Both Gail and I shared the passion for animal welfare and the betterment of their care when at risk and it was my honor to carry on in her place.*
- **What is your current role on the Board?** *Member at Large*
- **What keeps you here?** *My passion for animal welfare and the betterment of their care.*
